Monta Loma Elementary

Wednesday, October 4th, 2017.
Core value of the month: Compassion

PRINCIPAL'S MESSAGE

Dear Monta Loma Families,

Welcome to October!

We are looking forward to seeing you next week during parent teacher conferences. This is an important time to talk with your child's teacher about their progress and expectations.

On Monday, we celebrated the many student leaders on campus, including those who showed exemplary responsible choices. Join in me in congratulating our Leopard Leaders for responsibility! Well done!

Kiera R., Zachary W., Santiago A.T., Abigail D., Kailani W., Joseph W., Aidan P., Daisy E., Apollo R., Clare K., Alexa S., Jakob W., Logan O., Rosemary W., Cristian C., Michelle G., Eloise B., Aarush H., Janessah A., Wyatt, B., Arnolde C., Rachel S., Frankie B., Solomon L., Amaya K., Benny M., Catalina L., Taya P., Ahtziri G., Wyatt J.

This month's core value is compassion. At Monta Loma we define compassion as being kind, expressing gratitude, helping others, and forgiving others. I am continually impressed by our students' capacity for compassion. Without hesitation they offer hugs, smiles and helping hand. We are looking forward to recognizing our leaders in compassion at an upcoming Leopard Launch.

In Partnership.

Gloria

Dates to note

Halloween Parade

Monta Loma will have its annual costume parade during our Leopard Launch on Monday, October 30th this year.

Emergency Preparedness Drill

MVWSD will conduct an emergency preparedness drill during the week of October 16-20.

Student attendance is important: Help students be in school and on time

When we reduce chronic absence, we improve graduation rates, increase academic achievement and give young people the best chance at success in their adult life. [Read here the FAQs about MVWSD student attendance.](#)

Most parents are aware of what it means for a child to be truant from school. However, there is a new push through the state of California to reduce the numbers of students who are “chronically absent.” Students who are chronic absent typically attend school fairly regularly, but miss a few days here and there, which really add up and affect their learning. It's important to know both excused or unexcused absences count toward chronic absenteeism.

Chronically absent students have been absent (either excused or unexcused) for 10% of the time that school has been in session. For example, if your student has been absent 2 days before Sept. 15, he is chronically absent. If your student has been absent 5 days before Oct. 20, she is chronically absent. An average of 2 days absent a month means a student is chronically absent.

The District is now required to track this data and report it to the state. MVWSD will contact parents when students reach concerning absence levels. If not remedied, chronically absent students and their families may be referred to the District's Student Attendance Review Board, in a process similar to how truancy is handled.

Thanks for your assistance and support!

SCHOOL NEWS

The YMCA is hiring new staff for our ML After School Program. Please contact Trevor Pegg at Trevor.Pegg@ymcasv.org or for more information. [SEE FLYER HERE.](#)

Our BTB and YMCA portables in the back are not car accessible to parents for pick up. For your safety and those walking, please park in the front of the school and walk to the back to pick up your child. Thanks so much for your cooperation and understanding!

NEWS FROM THE PTA

Mark your Calendar!

Fall Festival is coming Oct 27 3-6pm! Join the fun at this carnival-style event. Each classroom will host a game complete with small prizes. Teachers have started recruiting game coordinators and posting signup sheets. This event has volunteer opportunities throughout the day, including cleanup at 6pm 😊

Thank you, members! Membership reward cards have arrived! Pick up your **Baskin-Robbins BOGO** cards and PTA membership/perks cards at Fall Festival. Not a member yet? Download a [membership form](#) and return it with your membership fee to the PTA box in the main office.

Ways to donate – this month's feature is **eScrip** – This program works by registering your credit cards, debit cards or rewards/club cards (of participating companies). When you purchase qualifying items from a participating store, a small percentage of the purchase is automatically donated to the school. Participating vendors include local favorites such as: **Piazza's, Draeger's, Mollie Stone's, and FoodMaxx.** A full list of participating stores can be found at the eScrip website.

If you haven't signed up for eScrip yet, please take a few minutes and do so now. Watch this 1 minute video <http://www.escrip.com/jsp/r.jsp?mode=SupporterHelps&gid=141470445> - spend a few minutes today and support Monta Loma School PTA all year long! If you already have an eScrip account, make sure your credit, debit and store rewards cards are up to date.

Do you **shop by phone**? Mobile App Benefit also available <https://play.google.com/store/apps/details?id=benefit.mobile>

Check our [Fundraiser page](#) for more on eScrip and other merchant donation programs.

Thank you everyone who attended the Principal's Coffee and PTA meeting last week. We appreciate your input.

Reach out to us anytime at montalomapta@gmail.com.

NEWS FROM THE DISTRICT OFFICE

MVEF's new director: Melissa Armanini

Melissa Armanini has joined the Mountain View Educational Foundation as the new Executive Director. Melissa brings over 10 years of sales, marketing and event management experience. She has also been a dedicated volunteer in various capacities over the last decade at her children's schools (Castro Elementary and Graham Middle School), as well as at MVEF. "I'm thrilled to join MVEF to further its mission of providing all MVWSD students with a well-rounded education that includes art, music, STEM, electives and sports," says Melissa. "Both my children were active in the sports and music programs funded by MVEF, so I have seen first-hand the value this important foundation provides to our students."

Thank you, donors! MVEF secured its challenge grant!

MVEF is thrilled to announce that, thanks to generous donations from more than 250 families and community members, MVEF has surpassed their first goal of the year, securing their challenge grant. The challenge funds come from three generous \$25,000 corporate matching grants from Google, Hoven Foundation, and LinkedIn, and community partners including Hibser Yamauchi Architects. The grant matched, dollar-for-dollar, donations from supporters through September 30, 2017, allowing donors to double the impact of their contribution. Thank you for your support in helping us secure over \$75,000 in matching funds to support our students.

Have not donated yet? Avoid the call and donate now!

Mountain View Educational Foundation needs to raise \$750,000 this year to fund all of the programs it supports. MVEF raises and distributes critical funds to ensure that all our students get a competitive, well-rounded education. In 2016-2017, MVEF funded more than \$737,000 of core programs in art, music, STEM exploration, leadership, and middle school extended-day electives and sports that would not exist without generous donations to MVEF! Please don't forget to donate this school year by clicking here: <https://www.mvef.org/donations>

MVEF will be holding its annual phone-a-thon on October 25th, so donate today to avoid the call!

MVWSD Surveys MVWSD uses data to inform its initiatives and decisions on all aspects of its services. While it's important that we learn from you, we also know you're busy, and we want to

balance the time involved with District surveys with our need for information to serve our students and families. To help with this, the District tracks the number of surveys given annually. This year, these are the major, districtwide surveys that you will be asked to participate in:

Climate survey for staff, students (grades 5, 7) and all parents- November 6

LCAP survey for staff, students and parents- February.

Thank you in advance for your participation, time and thoughtfulness.

MV Parent U: “10 Steps to a Healthy Family: Help with Nutrition:” Oct. 11

Mountain View Parent U presents “10 Steps to a Healthy Family: Help with Nutrition” on Wednesday, Oct. 11, from 6:30- 8 p.m. at the Crittenden Middle School MUR.

Presented by the Healthier Kids Foundation of Santa Clara County, parents will learn about getting the most out of mealtimes with kids, nutritional choices that help children focus in schools and positive lifestyle habits without a focus on body shape or weight.

Doors open at 6 p.m. Come early to connect with resources! Food will be available for purchase before the event.

Provided:

- Interpretation (Spanish support)
- Child care
- Bus service departs Castro Elementary and Graham Middle at 6 p.m. and returns at 8:30 p.m.

Free MVLA Speaker series workshop: “Why Parents Matter More Than Peers: Restoring A Healthy Balance in Adult-Child Relationships”, Thursday, October 12, 2017, 7:00 pm at Mountain View High School Spartan Theatre

Dr. Gabor Maté, M.D., is highly sought after internationally for his expertise on a range of wellness topics including ADHD, stress, childhood development, and addiction. Rather than offering quick-fix solutions to these complex issues, Dr. Maté weaves together scientific research, case histories, and his own insights as an experienced physician to present a broad perspective that enlightens and empowers parents seeking stronger, more meaningful connection with their children.
