PTA Update-

~Fun Fitness Day WILL be on a Thursday this year! YAY

~Davis White from Google, has offered to match PTA funds from Fall Festival/Walkathon up to \$30K. They have previously done things for other schools, several million for the general fund, and they are also funding the \$300k district audit happening this year. The money needs to come in before the end of the 2015 calendar year.

~ELAC-first meeting tomorrow morning 9/9/15 in the multi!

~Spanish Language Program-after school- held in Room 2/3 alternating every other week.

- 5) Discuss SSC tasks, goals, and schedule for the 2015-2016 school year.

Ms. Lyon 's Update: SSC's 3 Big Tasks for the year!

~Discussed Site Safety Plans/drills

~Site Plan: living document used as a playbook for staff. Teachers are broken into 4 Goal Teams: Language Development, Math, Language Arts, Culture. Angela gave dates for SSC members to visit staff meetings on the following dates: 9/23, 9/30, 10/7. This is an open invitation. If members can't attend, Angela will share the Word Document in action, as a Google Doc, and you can look at it.

~School Remodel: Phase 1: YMCA/adjacent building will be removed, bathroom remodel, expansion of the Multi. YMCA/Beyond The Bell will be moved to portables at the back of the campus. Phase 2: Classrooms. We are waiting on engineers to get back to us.

~Angela will talk to Robert about school capacity.

~Simply Circle: PTA is using the format the most

- 6) Discuss individual roles and responsibilities for the 2015-2016 school year.

- 7) Propose and discuss other new items of SSC business requiring immediate attention (as time allows).

Patrick spoke to having all Council members provide input to your personal circles, because we need as much feedback as possible with all the changes upcoming to our site.

We discussed the traffic problems. Police have been notified and arrests have been made. Name placards are helping with traffic flow.

8) Recognize other Items of public record.

Thank you to Jeremy Pack for assisting with Lego Robotics and obtaining kit donations! They are up and running.

Meeting adjourned! Next SSC meeting is Oct.20th!
