Agenda Item:	Notes:	Action Taken/Proposed
Convene Meeting & Review Agenda	Quorum achieved and Patrick called the meeting to order. Vote called to approve the minutes from the last meeting in October. Members Present: Patrick, Laura, Angela, Noemi, Linda, Rebecca, Jasneet.	Unanimous approval
Public Input	Presentation by MathGymUSA-Program is hands on-interactive-collaboration /standard aligned. This 10 week Computer Math Program is implemented at Castro. Students learn coding within math concepts, and then integrates within other curricular areas. Students learn 2 forms of coding embedded within the curriculum. This is offered on Saturdays at Castro. What are the opportunities for Monta Loma to offer the course? (Thursday afternoons). Cost is generally \$430.00 per student, but he would be willing to scale down the cost. Classes are 2 hours for 10 weeks. ~Different from the hour of code, in that it is more advanced by teaching 2 coding languages side by side, and is Common Core math/science aligned.	Patrick suggested the program be presented to MVEF. Ms.Lyon: potential scheduling: Thurs. from 1-3 pm? Ms.Lyon/Patrick will talk to PTA about funding.
Site safety Plan Update + Security & Open Items	Fire Drill Question: Rebecca mentioned not having access to unlock gate in event of the fire. Issue to be addressed at facility update. Linda mentioned the use of lockblocks safety features cause considerable heat loss in the classroom.	
Facilities Planning Update	Expanding MPR Assembly area to 230 students for dining. Accommodate 450 for assembly/modernize food kitchen New Heating/Air is loud-concern Preserve the stage/suspended acoustic clouds Outside seating for 96 students/tear down YMCA buildings Artificial turf gathering area	Patrick suggested putting Facilites Planning Details on a bulletin to send to parents. Patrick will create and send to Noemi to add to Spotlights.
Beautiful Day Update	Sarah Dodson presented on Beautiful Day-Kerri Neschleba and Sarah came to walk through campus with Angela today to discuss ideas for improvement. Lots of ideas: remove the hill, cement planter removal, mural design, exterior learning areas, landscape improvement, irrigation to planter boxes, etc.	Patrick suggested an informational poster for parent outreach/input at this Friday's Movie Night to generate support/interest. Present to neighborhood association for support.
