

Monta Loma School -Playground Rules

Play Structure:

No tag or chasing on or around the play structure equipment.

No jumping from play structure platforms

Slides:

All slides should be “feet first”. Students may not walk/climb up slides.
One student at a time.

Monkey bars:

One student at a time going one direction – Students are not to be sitting on top of the monkey bars

Blacktop:

Soccer/kick balls should be used in the basketball/field areas of the playground. Stay clear of organized games.

Field:

Students may be on the infield of the ballpark if they are participating in an organized game. Games of tag or allowed in the grass area only.

Students may not go into the bleacher or backstop areas of the ball field.

Students play touch football on the grass area of the ballpark. If the play in this game becomes too rough, we will discontinue.

Students are only allowed in the Monta Loma Park if they are supervised.

Equipment:

Any equipment checked out from the classroom or equipment area is to be returned to its storage location by the student who checked it out.

All equipment is to be used in a safe and cooperative manner. Unsafe or disruptive use will result in loss of privileges in using equipment or participating in organized play situation.
